

## **Jacksboro ISD Emergency Plan**

Jacksboro ISD is committed to the safety and security of students, faculty, staff, and visitors on its campuses. In order to support that commitment, the School Board has asked for a thorough review of Jacksboro ISD emergency mitigation/prevention, preparedness, response, and recovery procedures relevant to natural and human-caused disasters.

The Emergency Operations Plan that follows is the official policy of Jacksboro ISD. It is a result of a comprehensive review and update of school policies in the context of its location in Jacksboro, Texas and in the current world situation. We support its recommendations and commit the Jacksboro ISD resources to ongoing training, exercises, and maintenance required to keep it current.

This plan is a blueprint that relies on the commitment and expertise of individuals within and outside of the Jacksboro ISD community. Furthermore, clear communication with emergency management officials and ongoing monitoring of emergency management practices and advisories is essential. This plan is on file at the Jacksboro ISD Central Office.
