

COMPLAINTS CONCERNING DISTRICT EMPLOYEES

The Board of Education accepts responsibility for providing a means by which the public can hold employees accountable for their actions. The Board desires that complaints be resolved expeditiously without disrupting the educational process.

The Superintendent or designee shall develop regulations that permit the public to submit complaints against district employees in an appropriate way. These regulations shall protect the rights of involved parties. The Board may serve as an appeals body if the complaint is not resolved.

The Board prohibits retaliation against complainants. The Superintendent or designee at his/her discretion may keep a complainant's identity confidential, except to the extent necessary to investigate the complaint. The district will not investigate anonymous complaints unless it so desires.
