September 2014

Dear Parents:

In accordance with ESEA Section 1111(h)(6) *PARENTS' RIGHT-TO-KNOW*, the Berwyn South School District 100 is notifying every parent of a student in a Title I school that s/he has the right and may request information regarding the professional qualifications of his/her child's classroom teacher(s). This information regarding the professional qualifications of the child's classroom teacher(s) includes, at a minimum, the following:

1. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
3. The baccalaureate degree major of the teacher and any other certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If at any time your child has been taught for 4 or more consecutive weeks by a teacher not highly qualified, the school will notify you.

If you have any questions, please feel free to contact the Director of NCLB Grants, Sonia Peralta, at the following number, 708-303-4446.

Sincerely,
