

I.D. CARD POLICY

AOC students do not have a high school identification card, issued by Academy of the Canyons. Instead, your college student I.D. card, issued through the Office of Student Development, serves as your library card, and for other identification purposes on campus. If you have not already received your card, go to the Office of Student Development in S-103 (across from the Bookstore), and have your picture taken. It is important that you carry it with you at all times while on campus.
