

Comfort Independent School District Mascot

Bobcat and Deer

Comfort ISD may be one of a few, if not the only school district with two mascots....the Bobcats and the Deer.

In the 1928-1929 school year, the Girls' basketball team was undefeated. In old photographs, the team was shown wearing white blouses and black bloomers. The Athletic Department apparently did not have funds to purchase uniforms of the girls team, so they decided they would get uniforms the "old fashioned way". They would earn them.

The team worked to raise money for the uniforms in several ways. They sold candy, they advertised "basket Suppers", and they put on an all girls play, since the boys would not participate. After all the fund raising activities, the girls had enough money to purchase their uniforms. Apparently because the boys would not help raise the money for the girls uniforms, the girls did not want to be called Bobcats or "Lady Bobcats". They wanted a name all their very own.

The 1929 – 1930 season opened with the girls wearing the REAL uniforms they had designed. Blue shorts, with a gold jersey with blue trim. The number was on the back of the jersey and a Deer on the front. The deer head was designed below the V-neck jersey blouse and the antlers went up each side of the neckline.
