

GENERAL OBLIGATION BONDS

The Governing Board desires to provide adequate facilities in order to enhance student learning and to help the district achieve its vision for educating district students. To that end, the Board may order an election on the question of whether bonds shall be issued for school facilities when, in the Board's judgment, it is advisable and in the best interest of district students.

The Board shall determine the appropriate size of the bond in accordance with law.

Bonds Requiring 55 Percent Approval by Local Voters

The Board may decide to pursue the authorization and issuance of bonds by approval of 55 percent majority of the voters pursuant to Article 13A, Section 1(b)(3) and Article 16, Section 18(b) of the California Constitution. If two-thirds of the Board agree to such an election, the Board shall vote to adopt a resolution to incur bonded indebtedness if approved by a 55 percent majority of the voters.

The bond election may only be ordered at a primary or general election, a statewide special election, or a regularly scheduled local election at which all of the electors of the school district are entitled to vote.

Bonded indebtedness incurred by the district shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities. (California Constitution Article 13A, Section 1(b)(3) and 1(b)(3)(A))

The proposition approved by the voters shall include the following accountability requirements:

1. A requirement that proceeds from the sale of the bonds be used only for the purposes specified above, as detailed in California Constitution Article 13A, Section 1(b)(3), and not for any other purposes including teacher and administrative salaries and other school operating expenses
2. A list of specific school facility projects to be funded and certification that the Board has evaluated safety, class size reduction, and information technology needs in developing that list
3. A requirement that the Board conduct an annual, independent performance audit to ensure that the funds have been expended only on the specific projects listed

4. A requirement that the Board conduct an annual, independent financial audit of the proceeds from the sale of the bonds until all of those proceeds have been expended for the school facilities projects
5. A requirement that the Board appoint a Citizens Oversight Committee in compliance with Education Code 15278.

Bonds Requiring 66.67 Percent Approval by Local Voters

Bonds shall be sold to raise money for the following purposes:

1. Purchasing school lots
2. Building or purchasing school buildings
3. Making alterations or additions to school building(s) other than as may be necessary for current maintenance, operation, or repairs
4. Repairing, restoring, or rebuilding any school building damaged, injured, or destroyed by fire or other public calamity
5. Supplying school buildings and grounds with furniture, equipment, or necessary apparatus of a permanent nature
6. Permanently improving school grounds
7. Refunding any outstanding valid indebtedness of the district, evidenced by bonds or state school building aid loans
8. Carrying out sewer or drain projects or purposes authorized in Education Code 17577
9. Purchasing school buses with a useful life of at least 20 years
10. Demolishing or razing any school building with the intent to replace it with another school building, whether in the same location or in any other location

Except for refunding any outstanding indebtedness, any of the purposes listed above may be united and voted upon as a single proposition by order of the Board and entered into the minutes.
