

The NCAA recently released the new SAT/ACT sliding scale that corresponds with the increased GPA requirements for the class of 2015 and beyond. Needless to say, any current high school freshman who is even remotely considering the possibility of playing a sport collegiately needs to pay attention. The wiggle room to correct academic shortcomings has been greatly reduced.

Here is a summary of the new D1 academic requirements for a Full Qualifier that take affect for the class of 2015 and beyond:

- The minimum **core course GPA** has increased from **2.00** to **2.30**
- **10** of the **16** core course requirements must be satisfied **prior to the start of the senior year**
- **7** of those **10** core courses must be from the **English, Math and Science subsections**
- **Grades earned** in the **10** core courses are "**locked in**" for the purpose of calculating the final core course GPA
- Any **retakes** of the first 10 core courses must **be completed prior to senior year**

The NCAA has also introduced a new status for the class of 2015 - the "**Academic Redshirt.**" An "Academic Redshirt" may receive a scholarship and practice with their team, but **may not participate in game competition** as a college freshman. Students with a GPA of 2.30 or above may achieve either "Academic Redshirt" or "Full Qualifier" status, depending on their SAT/ACT test scores. Students with a core course GPA between 2.00 and 2.29 cannot attain "Full Qualifier" status but may achieve "Academic Redshirt" status by meeting minimum sliding scale test score requirements.

The new sliding SAT/ACT scale results in significant changes in minimum test score requirements. The **minimum SAT score** required to compete as a college freshman **increased by 180** points while the **minimum ACT score increased** by an average of **14 points** (sum score).

Here are two examples of the changes to the new sliding scale:

- **Prior to 2015:** **2.00** core course GPA + **1010** SAT or **86** ACT = **Full Qualifier**
- **2015 and after:** **2.00** core course GPA + **1020** SAT or **86** ACT = **Academic Redshirt**
  
- **Prior to 2015:** **2.50** core course GPA + **820** SAT or **68** ACT = **Full Qualifier**
- **2015 and after:** **2.50** core course GPA + **1000** SAT or **85** ACT = **Full Qualifier**

Remember, the NCAA does not include the writing component of the SAT or ACT and the ACT score is a sum score (not average) of the English, math, reading and science sections.

Finally, just because a student-athlete meets the minimum NCAA academic standards, it doesn't mean they will be admitted to play sports at the college of their choice. Many universities have academic standards for incoming freshman athletes that are **much higher than the NCAA minimum requirements.**

So what does this all mean? **Student-athletes must start tracking courses early.** A student-athlete should calculate their initial core course GPA at the conclusion of their first semester in high school and continue to do so each semester thereafter.

Now more than ever, every semester counts.

## NCAA Sliding Scale for Class of 2015

Core GPA	SAT Redshirt	SAT Full Qualifier	ACT Redshirt	ACT Full Qualifier
4.000	400	400	37	37
3.975	400	410	37	38
3.950	400	420	37	39
3.925	400	430	37	40
