

TRANSPORTATION

The Governing Board desires to provide for the safe and efficient transportation of students to and from school as necessary to ensure student access to the educational program, promote regular attendance and reduce tardiness. The extent to which the district provides for transportation services shall depend upon student and community needs and a continuing assessment of financial resources.

The Superintendent or designee shall recommend to the Board the most economical and appropriate means of providing transportation services.

The Superintendent or designee shall develop procedures to promote safety for students traveling on school buses.

The Superintendent or designee shall ensure the qualifications of bus drivers and related staff employed by the district, provide for the maintenance and operation of district-owned school buses and other equipment, and ensure adequate facilities for equipment storage and maintenance.
