

**INVESTING**

All or part of the special reserve fund of the district, or any surplus monies not required for the immediate necessities of the district, may be invested as allowed by law for public funds.

The Governing Board authorizes the district's chief fiscal officer to invest and reinvest such funds on behalf of the district. He/she shall make monthly reports of those transactions to the Board. The Board retains the right to revoke this authority at any time.

The Board recognizes that the district's chief fiscal officer has fiduciary responsibility for any funds invested outside the county treasury and is subject to prudent investor standards for investment decisions. As such, he/she shall act with care, skill, prudence and diligence under the prevailing circumstances, including but not limited to the general economic conditions and the anticipated needs of the district. The investment objectives shall be to first safeguard the principal of the funds, then to meet the district's liquidity needs and, third, to achieve a return on the funds.
