

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS

The Monrovia Unified School District takes great care in the adoption of instructional materials and is aware that all adopted materials may not be acceptable to all students, their parents/guardians, or other district residents.

The Superintendent or designee shall establish procedures that will permit proper consideration of any complaints against the use of any instructional materials, including textbooks, supplementary textbooks, library books, and other instructional materials and equipment.

The Board believes the Superintendent and staff are well qualified to consider complaints concerning instructional materials. Complainants are advised to consider and accept the Superintendent or designee's decision as final. However, if the complainant finds the decision of the Superintendent or designee unsatisfactory, he/she may request that the matter be placed on the agenda of a regular Board meeting.

The Board's decision in any such case will be based on educational suitability and will not be influenced by a desire to suppress information or deny students access to ideas with which the Board disagrees.
