100% Committed to Quality Education

September 2014

Dear D100 Families,

Illinois State Board of Education received a waiver from No Child Left Behind Supplemental Educational Services (SES) provisions. Therefore, there will be no SES after school tutoring services for the 2014-2015 school year.

In addition, the Illinois State Board of Education received another waiver from No Child Left Behind Choice provisions. Therefore, there will be no option to transfer your child to another public school within the district with transportation provided by the district requirements for the 2014-2015 school year.

*Although, 1116(b) (13), which requires LEA to permit a child who has previously transferred to remain in the choice school through the highest grade in the school, is not waived. However, the district is no longer obligated to pay for choice transportation. An LEA may continue to use Title I, Part A funds to provide choice-related transportation for students as long as the students continue to be enrolled in the school of choice.*

If you have any questions, please do not hesitate to contact me at (708) 303-4446 or email me at [speralta@bsd100.org](mailto:speralta@bsd100.org).

Sincerely,

*Sonia Peralta*
