### Principal's Message

Arroyo Seco Junior High School strives to fulfill our vision:

"Empowering students to succeed and thrive in a changing world." Students are grouped in heterogeneous interdisciplinary academic teams in order to ease the transition to a larger campus. Our primary focus remains nurturing and guiding all of our young people to achieve and grow at high levels: academically, socially, emotionally, and physically. Our curriculum is in direct alignment with the California Content Standards. Teachers use a variety of proven strategies, including the Interactive Notebook, portfolio development, and showcase presentations (exit interviews). We are proud of our Safe School Ambassador and peer mediator programs; our Advancement Via Individual Determination (AVID) program, which helps prepare students for college; and our unique schoolwide writing project.

Arroyo Seco earned National Blue Ribbon School of Excellence distinction in 2002. We also earned the California Distinguished School Award in 2007. Our pride at achieving the highest honor the educational community can bestow is still evident in all aspects of campus life.

The Arroyo Seco school motto sums up our students' pride in their abilities: "We lead, others follow." We are proud of our Conquistadors and their accomplishments!

Rhondi Durand, PRINCIPAL

## About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (661) 296-0991.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Arroyo Seco has recently completed a major reconstruction project. All buildings and classrooms have been modernized. This included new paint, new flooring, and new furnishings. We have also upgraded the hardscape and landscape on campus. We now have an outdoor amphitheater, a new two-story classroom building, a new gymnasium, and new science labs. The campus is beautiful, with a new entrance featuring palm trees and shade structures.

Each and every campus within the Wm. S Hart High School District is inspected by an on-site facility person on a daily basis. All deficiencies are reported electronically directly to District Maintenance and are corrected in an expeditious manner.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement

The Parent Advisory Committee (PAC) meets monthly with our principal. In the 2013–2014 school year, more than 500 parents signed up to be volunteers. Parent volunteers sell items in the student store at lunch and brunch. They help supervise students in the library and in classrooms and provide extra supervision on campus through our Eyes and Ears program. Parent volunteers also assist with our book fair and magazine drive, chaperone dances and field trips, and assist at other school events. Please call our principal, Rhondi Durand, at (661) 296-0991 for information about how you can get involved at Arroyo Seco.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

We revise and share our safety plan with the staff annually. Key elements include supervision, communication, education, and parent participation. Visitors must sign in at the office and receive passes to show that they are authorized to be on campus. We hold regular fire, earthquake and lockdown drills.

**Professional Development provided for Teachers at Arroyo Seco Junior High School**

Professional Development for the 13-14 and 14-15 school years focuses on the implementation of the Common Core State Standards. To support teachers in the transition to the core, the concentration is on building foundational understanding of the standards, developing resources, and expanding collaborations between all stakeholders. ELA and math content teams are developing pacing guides and designing rigorous curricular units for the 2014-2015 school year and beyond. Professional Development Coaches are engaged in a deep examination of the Common Core Anchor Standards for Literacy in preparation for supporting all teachers as they teach literacy across the curriculum. These Common Core Anchor standards delineate reading, writing, listening and speaking skills students utilize across curriculum at all grade levels. All teachers participate in site and district level professional development around these key literacy standards as well as strengthen and support core instruction of literacy practices. Teachers are also provided with the mobile technology and support they need to enhance instruction and increase the use of technology in the classroom.
