

Mammoth High School

School Accountability Report Card

Reported Using Data from the 2011-12 School Year

Published During 2012-13

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

II. About This School

Contact Information (School Year 2012-13)

School Contact Information	
School Name	Mammoth High School
Street	365 Sierra Park Rd.
City, State, Zip	Mammoth Lakes, CA 93546
Phone Number	760.934.8541
Principal	Gabe Solorio
E-mail Address	gsolorio@mammothusd.org
CDS Code	26736920000000

District Contact Information	
District Name	Mammoth Unified School District
Phone Number	760.934.6802
Web Site	www.mammothusd.org
Superintendent	Rich Boccia
E-mail Address	rboccia@mammothusd.org

School Description and Mission Statement (School Year 2011-12)

This section provides information about the school, its programs and its goals.

Principal's Message

Mammoth High School is a small four-year comprehensive high school with approximately 285 students. Situated in a growing year-round resort town, our student population continues to grow and diversify. Our staff works hard to prepare all of our students to meet the demands of the 21st century. Although more than eighty percent of our students choose to continue their education at two and four year colleges around the country, we are working hard to offer a variety of paths leading to careers directly after graduation.

As principal, I am very proud of the accomplishments and commitment of our learning community. This report card demonstrates our strengths and illustrates our promise to provide the best educational and extracurricular opportunities for our students.

Mission Statement

The mission of Mammoth High School is to develop life-long learners who possess the academic, vocational, physical, and social skills to pursue their life goals.

School Profile

Mammoth Unified School District, located in Mono County, educates approximately 1,200 students in grades kindergarten through twelve on a traditional calendar system. There are currently one comprehensive high school, one continuation high school, one middle school, and one elementary school in the district.

Mammoth High School opened its doors in 1974 to grades nine through twelve. Teachers, staff, and administrators continue to act on the principle that students come first. The educational programs at the school are tailored to meet the needs of a changing school population. The Western Association of Schools and Colleges recently renewed the school's six-year accreditation, with a three-year revisitation. Mammoth High School is committed to providing a comprehensive instructional program for all students to ensure excellence in education. This excellence can be seen in the staff who play such a vital role in providing a quality educational program. In the 2010-11 school year, the school served 287 students. The chart displays school enrollment broken down by ethnicity.

Opportunities for Parental Involvement (School Year 2011-12)

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

Parents and the community are very supportive of the educational program at Mammoth High School. Numerous programs and activities are enriched by the generous contributions made by the Measure S Committee, Booster Club, Morning Rotary Club, Lion's Club, Noon Rotary Club, Mammoth Hospital, Geothermal Plant, Mammoth Mountain, and Vons.

Student Enrollment by Grade Level (School Year 2011-12)

Grade Level	Number of Students
Grade 9	80
Grade 10	74
Grade 11	61
Grade 12	74
Total Enrollment	289

Student Enrollment by Group (School Year 2011-12)

Group	Percent of Total Enrollment	Group	Percent of Total Enrollment
Black or African American	0	White	0
American Indian or Alaska Native	0.7	Two or More Races	2.1
Asian	1	Socioeconomically Disadvantaged	51.9
Filipino	0	English Learners	45.7
Hispanic or Latino	49.5	Students with Disabilities	4.2
Native Hawaiian/Pacific Islander	0		

Average Class Size and Class Size Distribution (Secondary)

Subject	2009-10			2010-11			2011-12					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English				15.1	16	1	0	16.8	12	4	0	
Mathematics				15.9	14	2	0	16.7	11	4	1	
Science				14	13	2	0	16.5	12	3	0	
Social Science				24	5	4	1	19.9	6	6	0	

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

III. School Climate

School Safety Plan (School Year 2011-12)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The safety of students and staff is a primary concern of Mammoth High School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and earthquake drills are conducted on a regular basis. All visitors must sign in at the front office and sign out upon leaving. During lunch, recesses, and before and after school, assigned staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment.

In 1998, the Comprehensive Safety Plan was developed by the district in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive Safety Plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, and dress code guidelines.

Mammoth High School reviews the plan each year and updates it as needed. The plan was last updated and reviewed with school staff in December 2012. An updated copy of the plan is available to the public at the school and district offices.

Suspensions and Expulsions

Rate*	School			District		
	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12
Suspensions	0	27.53		0	13.02	
Expulsions	0	0.7		0	0.18	

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: 10/30/2012

Built in 1974, Mammoth High School is situated on four acres. The school buildings span 87,640 square feet, consisting of classrooms, a gymnasium, library, fitness center, multipurpose room, vocal and instrumental classrooms, and an industrial arts facility. The school recently upgraded its multi-purpose room, kitchen, and floors, and added stands and lights to the football fields. The facility strongly supports teaching and learning through its ample classroom and athletic facilities. The chart displays the results of the most recent facilities inspection.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are cleaned daily. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Good Repair Status (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	[]	[X]	[]	[]	
Interior: Interior Surfaces	[]	[X]	[]	[]	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	[]	[X]	[]	[]	
Electrical: Electrical	[]	[X]	[]	[]	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	[]	[X]	[]	[]	
Safety: Fire Safety, Hazardous Materials	[]	[X]	[]	[]	
Structural: Structural Damage, Roofs	[]	[X]	[]	[]	

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	[]	[X]	[]	[]	
Overall Rating	[]	[X]	[]	[]	

V. Teachers

Teacher Credentials

Teachers	School			District
	2009-10	2010-11	2011-12	2011-12
With Full Credential	35	26		
Without Full Credential	0	0		
Teaching Outside Subject Area of Competence	2	0		---

Teacher Misassignments and Vacant Teacher Positions

Indicator	2010-11	2011-12	2012-13
Misassignments of Teachers of English Learners	0	4	
Total Teacher Misassignments	0	4	
Vacant Teacher Positions	0	0	

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2011-12)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100	0
All Schools in District	100	0
High-Poverty Schools in District	100	0
Low-Poverty Schools in District	0	0

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2011-12)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1	1.0
Counselor (Social/Behavioral or Career Development)		---
Library Media Teacher (Librarian)		---
Library Media Services Staff (Paraprofessional)		---
Psychologist	1	---
Social Worker		---
Nurse		---
Speech/Language/Hearing Specialist	1	---
Resource Specialist		---
Other		---

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012-13)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected:

Mammoth Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. Mammoth Unified School District held a public hearing on September 22, 2011, and determined that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Visual and Performing Arts, Health, and Foreign Language for use in the classroom and to take home. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks. Mammoth Unified School District follows the state board of education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption.

The textbook adoption process begins with the district Curriculum Committee consisting of administrators and teachers. The Committee identifies key elements to consider in the adoption decision-making process, establishes selection criteria based on state standards, reviews instructional materials on the state list, and makes recommendations to the governing board for final adoption. The committee examines each program and selects programs to be piloted. Recommended programs are available at the school sites for teacher and parent preview. The feedback provided by teachers and parents becomes the basis for the recommendations to the board for final adoption.

The table displays information collected in December 2012 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Holt, Rinehart & Winston Adopted 2003	Yes	0.0%
Mathematics	McDougal Littell Adopted 1997	Yes	0.0%
Science	Glencoe Adopted 1995 Holt, Rinehart & Winston Adopted 1998 Holt, Rinehart & Winston Adopted 2002	Yes	0.0%
History-Social Science	Glencoe Adopted 2008 Houghton Mifflin Adopted 2008 Houghton Mifflin Adopted 2001 Houghton Mifflin Adopted 2002 McDougal Littell Adopted 2002 McGraw-Hill Adopted 2001	Yes	0.0%
Foreign Language	Campbell Adopted 2005 Scholastic, Inc Adopted 2005	Yes	0.0%
Health	Prentice Hall Adopted 2008	Yes	0.0%

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2010-11)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/Restricted	Basic/Unrestricted	
School Site	\$11,321	\$1,157	\$10,164	\$65,773
District	---	---	\$8,584	\$63,260
Percent Difference: School Site and District	---	---	18.41%	1.37%
State	---	---	\$5,455	\$57,948
Percent Difference: School Site and State	---	---	86.32%	15.06%

* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

** **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Types of Services Funded (Fiscal Year 2011-12)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

The district receives federal and state aid for the following categorical, special education, and support programs:

- Class Size Reduction
- Economic Impact Aid
- Educational Technology Assistance Grants
- Gifted and Talented Pupils
- Home-to-School Transportation
- Instructional Materials
- Maintenance and Operations
- Peer Assistance and Review Program
- Regional Occupational Program
- Safe and Drug Free Schools Program
- School Improvement Program
- Special Education
- Title I Program

Teacher and Administrative Salaries (Fiscal Year 2010-11)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$41,402	\$38,099
Mid-Range Teacher Salary	\$63,703	\$55,582
Highest Teacher Salary	\$82,872	\$71,884
Average Principal Salary (Elementary)	\$92,476	\$88,790
Average Principal Salary (Middle)	\$102,015	\$93,519
Average Principal Salary (High)	\$106,872	\$95,671
Superintendent Salary	\$140,000	\$115,401
Percent of Budget for Teacher Salaries	40%	34%
Percent of Budget for Administrative Salaries	5%	7%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>.

IX. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

Standardized Testing and Reporting Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced								
	School			District			State		
	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12
English-Language Arts	48	48	49	48	52	55	52	54	56
Mathematics	26	31	25	44	52	53	48	50	51
Science	48	66	79	51	69	70	54	57	60
History-Social Science	40	33	41	44	36	49	44	48	49

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Standardized Testing and Reporting Results by Student Group - Most Recent Year

Group	Percent of Students Scoring at Proficient or Advanced			
	English-Language Arts	Mathematics	Science	History-Social Science
All Students in the LEA	55	53	70	49
All Student at the School	49	25	79	41
Male	47	23	90	48
Female	50	26	67	33
Black or African American				
American Indian or Alaska Native				
Asian				
Filipino				
Hispanic or Latino	24	11	61	17
Native Hawaiian/Pacific Islander				
White	77	38	92	63
Two or More Races				
Socioeconomically Disadvantaged	29	14	69	25
English Learners	8	9	38	
Students with Disabilities	14	8		
Students Receiving Migrant Education Services				

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics to compute AYP designations required by the federal ESEA, also known as NCLB.

For detailed information regarding CAHSEE results, see the CDE CAHSEE Web site at <http://cahsee.cde.ca.gov/>.

California High School Exit Examination Results for All Students - Three-Year Comparison

Subject	School			District			State		
	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12
English-Language Arts	50	63	68	50	62	66	54	59	56
Mathematics	47	62	70	47	59	69	54	56	58

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California High School Exit Examination Grade Ten Results by Student Group - Most Recent Year

Group	English-Language Arts			Mathematics		
	Not Proficient	Proficient	Advanced	Not Proficient	Proficient	Advanced
All Students in the LEA	34	33	33	31	41	28
All Students at the School	32	34	34	30	41	30
Male	33	35	33	25	43	33
Female	30	33	36	35	39	26
Black or African American						
American Indian or Alaska Native						
Asian						
Filipino						
Hispanic or Latino	65	32	3	57	43	0
Native Hawaiian/Pacific Islander						
White	8	31	62	11	39	50
Two or More Races						
Socioeconomically Disadvantaged	53	33	14	47	39	14
English Learners	100	0	0	67	33	0
Students with Disabilities						
Students Receiving Migrant Education Services						

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Physical Fitness Test Results (School Year 2011-12)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	16.9	28.2	40.8

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched “similar schools.” A similar schools rank of 1 means that the school’s academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school’s academic performance is better than at least 90 of the 100 similar schools.

API Rank	2009	2010	2011
Statewide	5	6	5
Similar Schools	3	7	4

Academic Performance Index Growth by Student Group – Three-Year Comparison

Group	Actual API Change		
	2009-10	2010-11	2011-12
All Students at the School	33	-3	24
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	42	-11	-3
Native Hawaiian/Pacific Islander			
White	28	5	49
Two or More Races			
Socioeconomically Disadvantaged	31	7	5
English Learners	60	-15	5
Students with Disabilities			

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Academic Performance Index Growth by Student Group - 2012 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2012 Growth API at the school, district, and state level.

Group	2012 Growth API					
	School		District		State	
	# of Students	Growth API	# of Students	Growth API	# of Students	Growth API
All Students at the School	188	770	833	804	4,664,264	788
Black or African American	0		2		313,201	710
American Indian or Alaska Native	2		6		31,606	742
Asian	1		6		404,670	905
Filipino	0		0		124,824	869
Hispanic or Latino	95	652	442	720	2,425,230	740
Native Hawaiian/Pacific Islander	0		3		26,563	775
White	85	887	364	898	1,221,860	853
Two or More Races	5		10		88,428	849
Socioeconomically Disadvantaged	102	688	487	734	2,779,680	737
English Learners	78	644	373	699	1,530,297	716
Students with Disabilities	14	613	78	633	530,935	607

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2011-12)

AYP Criteria	School	District
Made AYP Overall	Yes	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	Yes	No
Met Percent Proficient: Mathematics	Yes	No
Met API Criteria	Yes	Yes
Met Graduation Rate (if applicable)	Yes	No

Federal Intervention Program (School Year 2012-13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2007-2008
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement	---	1
Percent of Schools Currently in Program Improvement	---	25

XI. School Completion and Postsecondary Preparation

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the UC Admissions Information webpage at <http://www.universityofcalifornia.edu/admissions/>. (Outside source)

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU webpage at <http://www.calstate.edu/admission/admission.shtml>. (Outside source)

Dropout Rate and Graduation Rate

Indicator	School			District			State		
	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11
Dropout Rate (1-year)	4.8	13.8	10	6.4	14.9	13	5.7	16.6	14.4
Graduation Rate	79.27	82.72	82.86	73.08	80.81	70.65	78.59	80.53	76.26

* The National Center for Education Statistics graduation rate as reported in AYP is provided in this table.

Completion of High School Graduation Requirements

This table displays, by student group, the percent of students who began the 2011-12 school year in grade twelve and were a part of the school's most recent graduating class, meeting all state and local graduation requirements for grade twelve completion, including having passed both the ELA and mathematics portions of the CAHSEE or received a local waiver or state exemption.

Group	Graduating Class of 2012		
	School	District	State
All Students			---
Black or African American			---
American Indian or Alaska Native			---
Asian			---
Filipino			---
Hispanic or Latino			---
Native Hawaiian/Pacific Islander			---
White			---
Two or More Races			---
Socioeconomically Disadvantaged			---
English Learners			---
Students with Disabilities			---

* "N/D" means that no data were available to the CDE or LEA to report.

Career Technical Education Programs (School Year 2011-12)

This section provides information about Career Technical Education (CTE) programs including:

- Programs and classes offered that are specifically focused on career preparation and or preparation for work
- How these programs and classes are integrated with academic courses and how they support academic achievement
- How the school addresses the needs of all students in career preparation and/or preparation for work, including needs unique to defined special populations of students
- The measurable outcomes of these programs and classes, and how they are evaluated
- State the primary representative of the district's CTE advisory committee and the industries represented on the committee

It is the goal of Mammoth High School that students understand the importance of academic subjects and experience how employees apply subject learning to work situations. The school's programs focus on preparing students to think conceptually, communicate effectively, and apply skills in real-world contexts. Curriculum and instructional strategies that foster critical thinking, problem solving, leadership, and academic skills are consistently taught to the students to ensure work-readiness skills.

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. Counselors expose students to a broad array of career opportunities and facilitate selection of a career path based on individual interests, goals, strengths, and abilities. Students may participate in a work experience class, a workability program involving the services of local businesses, or utilize the Coin Career Community, an internet resource program for students and parents that offers career and college information. Seniors have the opportunity to shadow members of the Rotary Club and the Lions Club in a variety of industries.

Mammoth High School offers career-path related classes through the Regional Occupational Program (ROP). Mono County is working to develop its own ROP program that meets the needs of this community. Courses offered include Culinary Arts, Construction Technology and Health Science Pathway. The chart displays details about the school's Career Technical Education program.

Speakers from the community, job shadowing and work experience, use of technology, career-related research projects, and community service projects are made available for the students to heighten awareness of options for education, training, and employment beyond high school. For more information about Career/Technical Education and/or ROP, please contact Principal Gabriel Solorio at (760) 934-8541.

Career Technical Education Participation (School Year 2011-12)

Measure	CTE Program Participation
Number of pupils participating in CTE	33
% of pupils completing a CTE program and earning a high school diploma	0.0
% of CTE courses sequenced/articulated between the school/institutions of postsecondary education	100.0

Courses for University of California and/or California State University Admission

UC/CSU Course Measure	Percent
2011-12 Students Enrolled in Courses Required for UC/CSU Admission	78.3
2010-11 Graduates Who Completed All Courses Required for UC/CSU Admission	35.6

Advanced Placement Courses (School Year 2011–12)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	0	---
English	2	---
Fine and Performing Arts	0	---
Foreign Language	1	---
Mathematics	0	---
Science	0	---
Social Science	3	---
All courses	6	4.5

* Where there are student course enrollments.

XII. Instructional Planning and Scheduling

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance, and data reporting, etc.)?

All training and curriculum development at Mammoth High School revolves around the California State Content Standards and Frameworks. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

Staff members build teaching skills and concepts through participation in professional conferences, district sponsored inservices, and workshops throughout the year. The district provides one buy-back professional development day annually where teachers are offered a variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Fourteen minimum days are also used for districtwide staff development.

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered "Highly Qualified." Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.
