Selection Process

- Any individual may submit a candidate for nomination from January 1 through May 1 of each year using the KCS Educator Hall of Fame Nomination Form (Nomination Form).
- All Nomination Forms received by the application deadline for nominees who meet the applicable criteria will be processed and forwarded to the Selection Committee.
- Prior to June 15 of each calendar year, the Selection Committee will review and make a preliminary vote of all eligible candidates. Any candidate receiving an 80.0% affirmative vote of the full Selection Committee will move to Full Consideration (Considered Candidate).
- Prior to July 1 of each calendar year, the Selection Committee will meet (at date, time, and location to be determined by the Selection Committee Chair) to review the list of Considered Candidates in each category.
 - Following a detailed biographical presentation and discussion/consideration by the Selection Committee, Considered Candidate names will be presented for elimination voting using the following criteria:
 - All Selection Committee members present will vote for two (2) individuals from the list of Considered Candidates.
 - The top two (2) vote-getters will move forward for Final Consideration (Final Candidates).
 - In the case of a tie for the second highest vote total, all Considered Candidates will be reviewed by the Selection Committee and subject to an additional vote, where Selection Committee members will select one candidate for advancement. The top vote-getter will then be identified as a Final Candidate.
 - Should a tie occur after this vote, this process will be repeated until a majority winner is declared.
 - Final Candidates in each category will be reviewed by the Selection Committee before a final vote is taken.
 - Final Candidates are then voted on individually (yes or no).
 - Any Final Candidate receiving a minimum of 80.0% "yes" votes will be inducted to the KCS Educator Hall of Fame.
