- Students must attend a minimum of four periods to participate in an activity that day.
- Students are expected to contact or leave a message in advance for an advisor or coach should it be necessary to miss an activity.
- Student athletes who decide to quit a team without the coach's approval may not participate in another sport until the next season or 30 days – whichever is greater.
- Student athletes, by NCS and CIF rule, may not participate on any outside team in the same sport while representing their school unless NCS has granted an exception.

Two of those periods of attendance may be waived by the principal if the pupil is involved in a supervised school activity. If either of the above requirements cannot be met, then the pupil shall bring a note from his/her parent to the athletic director stating the reason for absence. At that time, the athletic director and the coach shall render a decision on the pupil's eligibility for participation.

Participants will be held accountable for abiding by the regulations in the "Student Handbook for Extra-Curricular Activities and Interscholastic Athletics." Procedures for Review or Appeal are outlined in this handbook.
