## Volunteer Commitment & Code of Conduct

I recognize that working with children and youth is not only a privilege, but also a serious responsibility that must be approached with utmost care. Therefore, I will...

- ◆ Cooperate with the school by being a volunteer who is caring, kind, firm, and always thoroughly professional.
- ◆ Cooperate with the volunteer screening process as required by the school.
- ◆ Provide appropriate supervision at all times, never leaving unattended a student or group of students for whom I am responsible.
- ◆ Adhere to the school’s discipline policy, abstaining from corporal punishment as well as from any form of physical or verbal abuse or harassment.
- ◆ Affirm children with appropriate comments, only touching hand-to-hand or with brief shoulder-level “side-to-side” hugs.
- ◆ Avoid all situations where I would be alone with one student.
- ◆ Always ask a student’s permission before physically touching him/her when responding to an injury or problem (especially if it is an area that would normally be covered by a t-shirt and/or shorts and then only in the presence of another adult).
- ◆ Always assist students in a room or area where I am easily visible to others.

I, the undersigned, have read this document and agree to abide by the School Volunteer Commitment and Code of Conduct outlined above.
