

**DISCIPLINE**

The Governing Board desires to prepare students for responsible citizenship by fostering self-discipline and personal responsibility. The Board believes that high expectations for student behavior, effective classroom management and parent involvement can minimize the need for discipline. Staff shall use preventative measures and positive conflict resolution techniques whenever possible.

Board policies and regulations shall delineate acceptable student conduct and provide the basis for sound disciplinary practices. Each school shall develop disciplinary rules to meet the school's individual needs.

When misconduct occurs, staff shall implement appropriate discipline and attempt to identify and address the causes of the student's behavior. Continually disruptive students may be assigned to alternative programs or removed from school in accordance with law, Board policy and administrative regulation. At all times, the safety of students and staff and the maintenance of an orderly school environment shall be priorities in determining appropriate discipline.

Staff shall enforce disciplinary rules fairly, consistently and without discrimination.

The Superintendent or designee shall provide professional development as necessary to assist staff in developing classroom management skills and implementing effective disciplinary techniques.
