Geography of the French & Indian War

Locate and label the following:
*Include a map key and color coding to denote regional areas

- Anglo-American Colonies (outline map is included)
- Major river systems
- Pontiac’s uprising
- Boundary line of the Proclamation of 1763
- European Occupation before and after 1763
  (to show the change in boundary lines use a color coded map key and/or provide additional North American maps found at the course website)
- North American battle sites of the French and Indian War
- Include French and Indian victories in your map keys

extra 10 points
- Identify all of the above in an additional global map that you provide (look for maps on the course website)
