

City of Santa Clarita Transit is public transportation serving the needs of the general public. In an effort to serve the students of the William S. Hart School District, we provide additional trips during the peak student travel times. Our service is based on a first-come, first-serve basis.

City of Santa Clarita Transit's monthly passes are available at locations in the community, online, or by mail. Locations are listed online, and in the Transit Local Timetable. Monthly passes offer unlimited rides on all local transit routes, seven days a week.

Bus stops are located at all major intersections. Service is available earlier and later than the times shown. Please refer to the Local Timetable available onboard or online at [santaclarita-transit.com](http://santaclarita-transit.com).
