

Each student at St. Joseph School is required to complete service hours each year. Service hours can be performed at the school, at the student's church, or in the community. Service hours are required for graduation.

Service hours are intended to teach each student how to reach-out to others in a Christian spirit of charity. Activities may include, but are not limited to, community work at St. Vincent de Paul, food and cloth drives, nursery and childcare at Church on Sunday morning, etc.

Service hours need to be approved by the student's religion teacher and/or the head of the Theology Department at St. Joseph School. This form needs to be filled and submitted to the student's Religion teacher for approval
