

Communications Release Form

Note to Parent(s)/Guardian(s): You **ONLY** need to sign this form if you **DO NOT** wish to have your child's image and work released.

These permissions relate to District use ONLY; we cannot monitor private use of your child's image. Parent(s)/Guardian(s) are asked to use discretion when posting photos and names of children other than your own on the Internet.

I understand that schools record large group activities such as assemblies, sports activities, awards ceremonies, and public events (ex: TSD School Board Meetings). All students who participate in these activities will be part of the video recording. Students may have additional opportunities to appear on the Internet, cable TV (Channel 19 – Comcast; Channel 15 – WOW), in newspapers, and social media.

If you **do not** want your child to be included in these additional opportunities, please check the box below and complete the information and sign.

- I **DO NOT** give permission for my child's school-related picture and work to appear on the school district cable channel, the Internet, in newspaper photos, and in social media.
(This means that your child will be asked to STEP OUT of the picture for photos/recording used on cable and the website, in newspapers and social media.)
