Breakfast at DIS

All students are provided breakfast in the cafeteria free of charge. DIS believes that a day beginning with a good breakfast is essential to quality student learning.

Students will be given a variety of hot and cold items for breakfast. They will also have a selection of milk and juice each day. Breakfast will begin in cafeteria about 7:20am. The first bell rings at 7:50 am. **The tardy bell rings at 8:00 A.M. Please have your child at school before the 8:00 A.M tardy bell.** Students will NOT be served breakfast after 8:00am.

All students will be offered breakfast. They do not have to eat breakfast, but it will be offered to them.

We believe this is a great start to the day. A good breakfast is a main ingredient to being productive at school. Students who have a full stomach can concentrate on learning. As a parent, it saves time by not having to get breakfast ready and it saves money that I would be spending on breakfast foods.

I hope you will take advantage of this service at DIS. We will begin on Monday, August 24th, the first day of school for the 2015-2016 school year.

Thank You,
Dalhart Intermediate
