Referee
Klein, TX
Klein Soccer Club

5 Hours/Week
Total Hours: 60

Every spring I have the opportunity to referee boys' and girls' soccer teams at Klein Soccer Club. I enjoy helping the kids learn the rules and showing them how to do things properly like throwing in a ball or what off sides means. I have always enjoyed the game of soccer but never was truly talented enough athletically to play the sport. This is how I can share my love of the sport with others and help my community. This was also with the creation of schedules for the teams for each season.
