October, 2013

Dear Parents,

The No Child Left Behind Act requires that we share with you the results of our district's progress in meeting the Title III Annual Measurable Achievement Objectives (AMAO) for English Language Learners. Districts are evaluated annually on three objectives.

1. The percentage of students who make progress in learning English **(85% Met)**
2. The percentage of students who become proficient in English **(20.6% Met and Exited Program)**
3. Adequate Yearly Progress (AYP) for English Language Learners based on student test participation, graduation, attendance, and achievement in reading and math. **(Did Not Meet in Reading and Math)**

The Title III-funded districts must meet all three objectives in order to meet the Title III annual measurable achievement objectives.

During the 2012-2013 school year, our district did not meet the State-set targets for Annual Measurable Achievement Objectives (AMAO) for our English Language Learners. You may view the District's Annual Measurable Achievement Objectives data at <http://www.isbe.net/bilingual/htmls/titleIII.htm>

The district welcomes your ideas about improving the quality of education for our children.

If you would like more information about our district's performance, please call your building principal.

Sincerely,

Sonia Peralta
