ADMINISTRATIVE COMMENTS/LEGISLATIVE REPORTS/ COMMITTEE REPORTS

Peyton Filkins reported recent and upcoming events from the High School.

Superintendent began by thanking Mrs. Munoz and Mrs. Chambers and the Diversity Club students who did the presentation this evening. They did a great job with the presentation and it really is a fantastic program. It is important that we start thinking about the unity aspect and the inclusiveness aspect. We certainly foster those beliefs in our school system and it is encouraging to have students partake in that as well.

Last month there was quite a bit of discussion with the grade reporting and with PowerSchool. We actually printed report cards for the middle school a week after the trimester ended and the same was done for all elementary buildings two weeks after. The issues with Unified Classroom and not being able to log in has also been resolved.

Legislatively our legislators are not in session so there is not much to report. There were some recent bills passed that had to do with providing more flexibility with the career tech education certifications.

There was another meeting with the Professional Growth Committee and they discussed some really creative ways of individualizing professional development for our teaching staff. We want to make sure that when new initiatives come in like PowerSchool or Standards Based Grading that all of the teachers feel very comfortable utilizing them. It was a very positive meeting.

A-54—APPROVE RCHS ORLANDO, FLORIDA FIELD TRIP REQUEST

Moved by Treasurer Bohr and supported by Trustee Walker that the Riverview Board of Education approves the Orlando, Florida educational culinary fieldtrip tentatively scheduled for June 18 to June 20, 2018 for the RCHS Cooking Club and Hospitality students, as attached.
