

RECRUITMENT AND SELECTION

The Board of Education desires to employ the most highly qualified and appropriate person available for each open position in order to improve student achievement and efficiency in district operations.

The Superintendent or designee shall recruit candidates for open positions based on an assessment of the district's needs for specific skills, knowledge, and abilities. He/she shall develop job descriptions that accurately describe all essential and marginal functions and duties of each position, and shall disseminate job announcements to ensure a wide range of candidates.

The Superintendent or designee shall develop selection procedures that identify the best possible candidate for each position based on screening processes, interviews, observations, and recommendations from previous employers. He/she may establish an interview committee, as appropriate, to rank candidates and recommend finalists. All discussions and recommendations shall be confidential in accordance with law.

During job interviews, applicants may be asked to describe or demonstrate how they will be able to perform the duties of the job. No inquiry shall be made with regard to any category of discrimination prohibited by state or federal law.

For each position, the Superintendent or designee shall present to the Board one candidate who meets all qualifications established by law and the Board for the position. No person shall be employed by the Board without the recommendation or endorsement of the Superintendent or designee.
