

### **SEXUAL HARASSMENT - PUPIL**

The Governing Board is committed to maintaining an educational environment that is free from harassment. The Board prohibits sexual harassment of students by other students, employees or other persons, at school or at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against persons who complain, testify, assist or otherwise participate in the complaint process established pursuant to this policy and the administrative regulation.

#### **Complaint Process**

Any student who feels that he/she is being or has been subjected to sexual harassment shall immediately contact his/her teacher or any other employee. A school employee to whom a complaint is made shall, within 24 hours of receiving the complaint, report it to the principal or designee.

Any school employee who is aware of any incident of sexual harassment involving a student shall report this to the principal or designee, whether or not the victim files a complaint.

In any case of sexual harassment involving the principal or any other district employee to whom the complaint would ordinarily be made, the employee who receives the student's report or who is aware of the incident shall report to the Superintendent or designee.

The principal or designee to whom a complaint of sexual harassment is reported shall immediately investigate the complaint in accordance with administrative regulation. Where the principal or designee finds that sexual harassment occurred, he/she shall take prompt, appropriate action to end the harassment and address its effects on the victim. The principal or designee shall also advise the victim of any other remedies that may be available. The principal or designee shall file a report with the Superintendent or designee and refer the matter to law enforcement authorities, where required.

#### **Disciplinary Measures**

Any student who engages in sexual harassment of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4 through 12, disciplinary action may include suspension and/or expulsion, provided that in imposing such discipline the entire circumstances of the incident(s) shall be taken into account.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address and prevent repetitive harassing behavior in its schools.

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action.
