

HEALTH CARE AND EMERGENCIES

The Governing Board recognizes the importance of taking appropriate action whenever an emergency threatens the safety, health, or welfare of a student at school or during school-sponsored activities.

The Superintendent or designee shall develop procedures to ensure that first aid and/or medical attention is provided as quickly as possible when student accidents and injuries occur and that parents/guardians are notified as appropriate.

The Superintendent or designee shall ask parents/guardians to provide emergency contact information in order to facilitate communication in the event of an accident or illness.

District staff shall appropriately report and document student accidents.
